

GFORCE RANGE

GFORCE 1

Le Maitre[®]
PYROTECHNICS & SPECIAL EFFECTS

*Continuous flow,
water-based smoke
machine*

The GForce 1 Basic and GForce 1 DMX are the entry level models in Le Maitre's GForce range of high powered, continuous flow, rugged, water based smoke machines.

The GForce 1 demonstrates powerful continuous output, with the patented Genesis heating block technology providing a uniquely efficient system enabling unrivalled, powerful continuous output with no reheating required.

Operation is via a remote control, the Varitime, which not only controls the amount of smoke produced, but also the duration of the smoke burst (0-30 seconds) and the intervals (0-20 minutes).

Ideal for use on stage and film, sporting events, theme parks and in fire safety and military training.

FEATURES

- Maximum smoke output 19000 cbm/hr
- Powerful continuous output
- Microprocessor System Management
- Fluid consumption 0.7Scc/s (cont); 3cc/s (burst) (112mins/5L)
- Genesis easy change block system
- Standard and DMX models
- DMX Channels: 1
- Varitime & Variflow remote controls
- Removable external bottle carrier
- Safe for use on live stage performances
- Warranty – 24 months*
- Made in the UK

** Use of fluids other than Le Maitre will invalidate the warranty*

SPECIFICATION

SIZE (mm): 270(H) x 290(W) x 430(L)
With Bottle Carrier: 270(H) x 290(W) x 550(L)

POWER: 230V; 50/60Hz; 1.1kW; 5A

WEIGHT: 12kg

FLUIDS: Global Deluxe, Quick Dissipating, Industrial, EZ Kleen

ACCESSORIES: Variflow Remote Control; Varitime Remote Control; Ducting Adaptor; Hose
